

July, 2018

Dear Rocklin Academy Families,

On behalf of Rocklin Academy's faculty and staff, I would like to thank the parents, guardians and family members who volunteered their time to our school throughout the 2017-2018 school year. Your partnership and commitment to our school program enables us to create special activities and experiences that impacts student learning and brings our Core Knowledge curriculum to life.

Our dedicated PSP coordinated many incredible events that supported our family culture such as the Family Science Night, Harvest Carnival, Scholastic book fair, Bingo Night, Masquerade Ball, family dinner nights, and Movie Nights. The PSP was also supportive of our middle school dances and our annual Concert in the Park. All of our classrooms now have T.V.'s with Apple or Google technology to support student learning and collaboration. Thanks to our PSP, this summer we will have two water bottle refill stations installed. WOW! Thank you to all of our families who donated throughout the year to help make these events possible. Your support also helped to provide supplies for the classroom. Your contributions truly impact our school community and is greatly appreciated!

Looking ahead to the 2018-2019 school year, we would like to welcome our new and returning families. The faculty and staff are all looking forward to another wonderful year together. Please read this entire letter of essential information; it includes important updates which will soon take place at our schools.

Please note that in the third week of July, Emergency Card information will be sent out to families. This will include links to important documents that need to be completed annually and submitted before school begins each year. Below, you will see various links to additional information you will find useful in preparing for our upcoming school year.

General Information

TK class rosters will be posted today, Friday, June 29th at 4:00 p.m. at the back entrance. Class rosters for K-6 and 7-8 homeroom will be posted for parents on Friday, August 3rd at 4:00 p.m.

Recommended class supply lists are attached to this email and are consistent for each grade level. Please check the updated supply lists before shopping for needed supplies.

New Rocklin Academy Driving Policy

Our student transportation policy was updated this past year to include requiring a DMV driving record in order to drive on field trips of a certain length. As this change was made mid-year, it was only implemented for field trips in which traveling 65 miles or more was involved.

Student safety is our number one priority. As such, the requirement to obtain and submit a DMV driving record has been extended to all chaperones who wish to drive on any field trip regardless of distance (when transporting children other than your own). We want to ensure that students are riding in cars with safe drivers. The policy is included in the school handbook for your reference. The DMV driving record may be obtained online:
